“Galasso Learning Solutions provided our firm, clients, and business partners the best ethics class we have ever attended. Ethics is one of those classes that has a lot of requirements which can be very boring. Our facilitator did an amazing job keeping all of us engaged with case studies and breakout sessions that were applicable to industry (governments).”

- Tonya Moffitt, CPA
Managing Partner
Merina & Co.

“This governmental course was excellent and 100% relevant to my line of work.”

WHAT MAKES GLS UNIQUE?

-  Engagements begin with a detailed needs assessment so that our training is uniquely tailored to deliver better ROI
-  Engaging, learning-focused environment based on proven virtual and in-person adult learning methods
-  Up-to-date and cutting-edge content to help your organization proactively stay ahead of standard changes

“Great presenter! Alex is a very confident presenter and does a wonderful job keeping participants engaged. The materials are a great resources after the training session.”
- Past Attendee
