MELISA'S CLIENT RELATIONSHIPS INCLUDE

"Melisa is friendly, professional, knowledgeable, entertaining, and a great presenter. She was lovely to work with, both during the planning stages and the conference itself. Melisa adapted her material to address our specific technical needs and ensure that the course content was appropriate and relevant for our mixed audience. She responded graciously and 'on-the-fly' to unanticipated requests from conference participants. We consider Melisa a valuable asset and a great technical resource."
