Peter earned the prestigious Association for Talent Development Master Trainer™ Designation, made possible by spending much of his audit career working closely with learning and development to design and facilitate training on both technical accounting and soft skills.

“Peter provided our audit team with the essential knowledge needed to serve our clients to the best of our abilities. It was easy to customize our in-person training day first by viewing the offerings available on their website. The highlight as far as participation and fun was the Family Feud game right after lunch! The certificates were available for all soon after the training day.”

- Carol Baber
Mize CPAs Inc.

“The instructor kept the lesson highly engaging.”
